Dear Bro. Chalk:

I am sorry for the delay in answering your letter. It seems that we have had plenty to do every day since the meeting. Pat has been sick twice--and there has been plenty of sickness in the church.

LaMarque has just closed a meeting with James LeFan--and we felt we must ~~do~~ everything we could to make this meeting a success. I am telling you the people here in Texas City certainly did get into the harness and pull for that meeting. Each night of the meeting a better spirit of cooperation could never be seen. I believe as a result of our meeting and the meeting at LaMarque we will have a better spirit of working together than we have seen in this area before.

I wish to thank you for the books. The book of yours on Prayer is very fine indeed. I already had the other book by brother Goodpasture and there is some good material in it. I wish to thank you for the list of books you were so kind to send--but it will take sometime getting around to buying these.

Our son, Ron came in for the Easter break and brought us some very good news. We learned he was elected to the presidency of the Students' Association of ACC. Man, were we happy when we learned that he had won by such a large margin! I sure hope that Ron can meet you when you move to Abilene.

It was such a joy to have you in the meeting and to hear the fine sermons which you presented. Pat and I shall always have fond memories of our association with you. Pat sends her regards.

Sincerely,

*William H. Price*
